KNOW YOUR SCHOOL

Srinithi Public School - The Spring of Living Education is a CBSE Co-Ed school, founded in the year 2011 - 2012 by the Ananya trust of which Dr.Kanakarajan CEO, Dr.Vijayalakshmi Kanakarajan Chairman, Dr.Saravananaraja Secretary and Er.Kausalyadevi Correspondent are its prestigious members. Located on the Angalakurichi Aliyar road near the banks of Aliyar river against the background of Western Ghats and in the midst of lush green wood trees and flowering plants, the school was run in the name of Ananya Matriculation School earlier which has been now converted into SRINITHI PUBLIC SCHOOL since 2021 2022 with due recognition from the Central Board Of Secondary Education. As of now the school has got the student strength of 250 and offers CBSE pattern of education since 1st August 2024 to students from 1st Grade to 12th Grade along with Preprimary(KG - Grade I) and primary (Grade II - V) Classes

VISION

To become, through, quality education, one of the excellent schools with national and international recognition

MISSION

To provide an Excellent academic ambience with the state of art infrastructure and well trained teaching faculty for students to gain mastery over the subjects through technology enabled teaching and learning and become good citizens who could contribute to national development.
